

It's LinkedIn for Lonza Water Treatment

Lonza Water Treatment joins the LinkedIn community, now expanding our social media reach. The showcase page will feature interesting news, product, service and company updates as well as informative industrial information amongst others.

Lonza Water Treatment is a specialist water treatment business which focuses on the Industrial, Commercial, Municipal and Surface Water Treatment (ICMS) markets. Stemming from a water treatment heritage of more than a century, we are one of the leading suppliers of treatment chemicals, disinfectant feeder systems and specialized services. Follow the page <https://www.linkedin.com/showcase/11090356/> to learn more from our global Lonza Water Treatment businesses.
