

We Excitedly Await the Wisa Conference

Visit us at the Wisa Conference
Stand #95
15th – 19th May 2016

On the 15th of May, the long-awaited Wisa Conference will begin at the ICC, Durban. Ending the 19th of May, the exhibition will be lasting a total of 5 days. A wide range of topics will be covered throughout the event, with the main theme being “Water – The Ultimate Constraint”.

Visit us at Stand #95 where we will be showcasing new and exciting products and equipment, amongst hosting other tongue-wagging activities.
